BPW Closed Meeting; No Reason Given

Board of Public Works Chairman Allan Flye called the Board into executive session Monday night for an unexplained reason. The usual notices of the meeting had been received by the TOWNSMAN, without reference to an executive session. Normally, as well, the first meeting of the month is reserved to hear citizens who might have a problem concerning BPW work.

Chairman Flye walked into the meeting, where the TOWNSMAN

(Continued on Page 15)

Manager Banned By Big Margin

Slightly over 50 percent of the 9180 registered voters turned a hearty thumbs down on town manager Monday — with 2791 voting "no" to 1745 for the plan.

In only one precinct — six — did the plan win a majority. Elsewhere, it was soundly defeated.

In other election results, Board of Public Works members Francis Reilly and P. LeRoy Wilson easily won re-election; Moderator Roland Sherman outdistanced John O'Connell; Roy Russell won re-election to the School Board; John N. Cole 2nd won a Planning Board seat; and Richard McKallagat took a Board of Health post. Stafford Lindsay, unopposed

CAST THEIR
SHADOWS BEFORE"

*(Author's name below)

Right now things are happening that will mean much to your future better health. Millions of dollars are being spent by the pharmaceutical industry to research new drugs that promise to cure, or relieve diseases that have plagued mankind for ages.

Part of the cost of the medicines in your prescriptions is paying for this research. Because of this, it is certain, that in the future, many lives will be saved.

ALL SPECIAL ARTICLES SUMMARIZED THIS WEEK

A complete summary of special articles to be considered Saturday at town meeting is contained in this week's TOWNSMAN.

Listed with each article is the recommendation of both the Finance Committee and Taxpayers Association. Thus, it will be possible to take this summary to town meeting and easily compare the recommendations of both groups without referring to two brochures.

We suggest this may be a handy time-saver for those attending the meeting as well as an easy way to become acquainted with the recommendations prior to town meeting.

Health Bd. OK's Water Fluoridation

The highly controversial fluoridation article in the annual town meeting warrant has drawn the following comment from the Board of Health:

"The Andover Board of Health would like to point out that it endorses the following statements made by the Massachusetts Department of Public Health on the subject of water fluoridation:

"Fluoridation is an effective means for the reduction of dental decay.

"Fluoridation is safe and is free from toxic side-effects in the proper concentrations and application.

"The simplest and safest means of supplying the proper amount of fluorides to the community as a public health measure is fluoridation of the communal

Policewoman At Work

Mrs. Dorothy Volker took fast control of the traffic situation Monday, her first day on the job. She is the first of several policewomen who will handle school crossings to relieve regular officers for other duties. She has been posted at the corner of No. Main and So. Union streets this week. (Cole)

Interest At Peak For Town Meeting Saturday At 1:30

Articles Listed With Comments

When Moderator Roland Sherman raps for order Saturday afternoon at 1:30 in Memorial Auditorium, assembled voters will begin working on a recommended annual budget of \$2,071,621.

And following action on the budgets, consideration will come on special articles valued at nearly \$500,000. Approved by the FinCom are articles valued at \$57,413. Other articles, with a

cash value of \$269,510, have been approved by the FinCom, but with a recommendation that money come from available funds. A second group of articles, listed as transfers and recommended by the Finance Committee, have a value of \$119,000.

Disapproved were two major articles — \$192,000 for a Memorial Hall Library addition and close to \$100,000 for a trunk sewer line from Shawsheen square to service Lincoln st.

The budget figure approved by the Finance Committee is several thousand dollars short of the original requests. The BPW item for water services was cut substantially, because the Committee felt the town should not put in all water services, tying up workmen, supplies and the taxpayers' dollars even though the money would eventually come back to the town's free cash.

The recommendations of both the FinCom and Taxpayers association are contained, as they refer to special articles, in this edition. The TOWNSMAN has

(Continued on Page 14)

BPW Hooked Up Equipment Feb. 20

Andover's water has been fluoridated since Feb. 20.

The Board of Public Works hooked the machinery up and began adding fluorine that day, following normal state approval of the equipment and the way it has been installed.

Chairman Allan Flye told the TOWNSMAN Wednesday noon that "we saw no reason why we should publicize it. We're carrying out the instructions of town meeting". He referred to the 1956 vote which authorized fluoridation of the water here. An article in the 1957 warrant, up for consideration Saturday, asks reconsideration of the approval.

Flye said he felt any statement announcing the actual fluoridation of the water supply would come from the Board of Health because, while the BPW had control of hooking up the equipment, it actually was a health board matter.

Former Health Board Chairman Charles O. McCullom, contacted Wednesday afternoon, said "We have not been notified officially that it has been tied in". McCullom was questioned about the subject because he has been chairman during the past year when the subject has been discussed repeatedly. The Board of Health has not yet organized for the coming year and temporarily has no chairman.

Library Cites Needs

This is the front view, drawn by the architects, of the proposed addition to the Memorial Hall Library. The Trustees of the Library, in their annual report to the town, have listed the reasons for urging adoption of an article in the warrant that would accomplish this goal. The portion of the report devoted to the addition is quoted below.

"As we view what is perhaps the most important problem facing the library at this particular time, that of its building needs, we are again not unmindful of other community projects. Frankly we have been somewhat baffled as to the best way to proceed. Why have we, it may well be asked, decided to place our building article before the town again, particularly in view of two consecutive defeats? We should like to make the following points:

LOANS

\$50 to \$2,000
ANDOVER FINANCE
COMPANY

Street Floor
Musgrove Building
(Entrance Also From Lobby)
ELM SQ. ANDOVER 1998

"That costs are going up all the time as the 1957 figure of \$192,000 for the library project indicates, a rise of \$29,500 over the 1954 figure of \$162,500, the year the article was first introduced. There seems to be general agreement that we are in a period of rising costs and we feel that if our plan is a sound one, that there is nothing to be gained from waiting.

"That Planning and Renewal Associates have not - or so it seems to us - made a clear cut recommendation so far as our building program is concerned. Perhaps the report has gone as far as it could logically be expected to go. However, its recommendation of a town center study, admirable as it is, will not be undertaken in 1957 and perhaps not for some time to come.

"That the extensive alterations to the Town Hall would seem to indicate that that site will not be available to the library as the location of a new functional building for many years to come, if ever, even supposing that the town were interested in appropriating \$400,000-\$450,000 for a new library building within the next four or five years. It is the only site, we believe, equally good with our present one.

"That the Capital Expenditures Committee has not yet released

to the town a time table which would place the library in relation to other capital expenditure projects.

"That we are a small department and feel, perhaps not unnaturally, that we need to keep our building needs before the town so that they will not be lost sight of in light of what to many may appear more pressing and certainly are more expensive outlays.

"That new industries are being attracted to Andover, as is evident in the case of Sylvania-Corning because of the cultural advantages - schools, library, museums - that Andover has to offer. We feel so far as the library is concerned an obligation to keep our services at their present level and not to allow them to retrogress, because of inadequate building or for any other reason.

"That the school population has practically doubled in the last twenty years and it seems self evident that this increase, which has made new school buildings necessary, should have placed some strain upon our Children's Room, apart from whatever effect this growth may have had on other parts of the library building. We have quite literally outgrown our Children's Room, our work space, our stack space. The adequacy of our present adult reading, reference and service operations space, is fast diminishing.

"We have always been a high use library and with the type of people coming to Andover because of the character of the new industries, we expect to continue to be such. In the last thirty years, more or less in the period since the library was last renovated in 1927, the circulation has increased more rapidly than the population, or 136 percent to 41 percent. Other figures which have bearing on our present thinking are a 67 percent circulation per capita increase, a 95 percent increase in book stock.

"During this period, public libraries have developed extremely rapidly with new services reflecting new demands and with the inclusion of audio-visual materials as an accepted part of its materials collection; indeed to meet minimum standards in 1956, libraries must include them. The past 10 years in particular has seen increased demand upon our reference and informational services so that it has been necessary to increase our reference holdings, to strengthen subject collections, to maintain larger files of back issues of magazines,

which, as is obvious, are great consumers of shelf space. Analysis of figures in the last twenty years supports this statement of growth in the library's reference and informational role. For example in 1935 fiction represented 72.4 percent of all adult materials circulated; in 1955, only 46.8 percent.

"Projections into the future are inconclusive and somewhat speculative since so many factors can not now be known. However at present levels, it would not be unreasonable to predict a book collection within the next 20 years of from 63,000 to 81,000 books and a total circulation ranging from 144,000 to 216,000."

Weddings...

HORRIGAN - STRUMPFMAN

A wedding of local interest took place in the Sacred Heart Church, Washington D.C., Feb. 21, at 5:30, when Miss Sylvia Hope Strumpfman, daughter of Mr. and Mrs. Saul Strumpfman of Lowell st., became the bride of Lt. Com. David E. Horrigan Jr., U. S. Navy son of Dr. and Mrs. David E. Horrigan, U. S. Navy retired, of Daytona Beach and Washington, D.C.

The bride wore a gown of white silk shantung and carried white rosebuds and Stephanotis. She was attended by Mrs. A. K. Thomas of Andover, as matron of honor. The best man was Lt. Comdr. William Hawley, U. S. Navy. A reception was held in the Greenway Inn, Washington, D. C.

The bride is a graduate of Pynchard High School, class of '51. She attended the University of Massachusetts and the University of Miami and is presently attending the American University in Washington. She was graduated from the Children's Hospital, Boston, in 1956.

After a wedding trip to Florida the couple will reside in Washington, D. C.

JOURET - DESMOND

Miss Shirley Ann Desmond, daughter of Mr. and Mrs. Cornelius Desmond of Lowell, became the bride of John E. Jouret, son of Mr. and Mrs. Edward C. Jouret, Flint, Mich. at a 10 o'clock nuptial Mass Feb. 9 in the Immaculate Conception Church, Lowell. The Rev. Joseph H. O'Keefe officiated. The bride who was given in marriage by her father wore a gown of white Chantilly lace over nylon tulle fashioned with a fitted bodice, long sleeves and bouffant skirt.

The matron of honor, Mrs. Arthur Martin, wore an emerald green gown styled with fitted bodice and bouffant skirt.

Paul G. Perra of Albany, N. Y. was the best man and the usher were Cornelius F. Desmond III and E. Patrick Lessard.

A reception followed the ceremony in the Ivy Hall, Lowell, with guests attending from Connecticut and New York. After a wedding trip to the West Coast the couple will reside in Portland, Ore.

The bride was graduated from Lowell High School and Bradshaw Business College and is a member of the Seton Guild. Mr. Jouret was graduated from Lowell Technological Institute and is associated with the Pendleton Woolen Co. in Oregon.

ELECTED AT BROWN

Robert D. Redfern, son of Mrs. Mary D. Redfern, 52 York st., recently was elected house manager of his dormitory at Brown University, Judson House. A graduate of Pynchard High School, he is a member of the class of 1959 and a candidate for the Bachelor of Arts degree.

Engagements

MISS LINDA C. COOKE

A summer wedding is planned by Miss Linda Carolyn Cooke, whose engagement to Mr. and Mrs. C. Stefani, 244 So. Main announced by her parents, Mrs. John D. Cooke, 267 So. Main.

Miss Cooke is a graduate of Pynchard High School attending Evening Session at Merrimack College. She played with the Avco Rite and Advanced Development Lawrence. Mr. Stefani was graduated from the Holy School, Plymouth, N. H. attending the University of Vermont.

Jensen - Renny

The engagement of Miss C. Renny to Harold P. Jensen of Mr. and Mrs. Jensen, 9 Roberts st., Lowell, announced by her mother, Ann W. Renny, 34 Elm st.

Miss Renny attended Pynchard High School and the Merrimack Business school and was graduated from Lawrence College.

Engagements

MISS LINDA C. COOKE
Stefani - Cooke

A summer wedding is planned by Miss Linda Carolyn Cooke, whose engagement to Marco B. Stefani, son of Mr. and Mrs. Loris C. Stefani, 244 So. Main st., is announced by her parents, Mr. and Mrs. John D. Cooke, 267 So. Main st.

Miss Cooke is a graduate of Pynchard High School and is attending Evening Sessions at Merrimack College. She is employed with the Avco Research and Advanced Development Co. of Lawrence. Mr. Stefani was graduated from the Holderness School, Plymouth, N. H. and is attending the University of Vermont.

Jensen - Renny

The engagement of Miss Helen C. Renny to Harold P. Jensen, son of Mr. and Mrs. Jens C. Jensen, 9 Roberts st., Lowell, is announced by her mother, Mrs. Ann W. Renny, 34 Elm st.

Miss Renny attended Pynchard High School and the McIntosh Business school and was graduated from Lawrence Evening

High School. She is now employed in the office of the Tyer Rubber Co. Mr. Jensen was graduated from Lowell High School and Tufts College Engineering School. He is presently associated with Datamatic Corp., Newton Highlands, as a mechanical engineer. A summer wedding is planned.

Coombs - Breton

A May wedding is planned by Miss Barbara Anne Breton, whose engagement to Robert S. Hall, son of Mrs. Robert Coombs, 107 High st., is announced by her parents, Mr. and Mrs. Albert Breton, 48 Cypress ave., Methuen.

Miss Breton is employed as a secretary with Davis Sportswear, Lawrence. Mr. Hall is associated with the Factory Mutual Insurance Co. in Norwood.

MISS ELAINE M. SAVAGE
Weaver - Savage

Mrs. Michael Savage Jr., of Hamden, Conn., announces the engagement of her daughter, Elaine Margaret, to Andrew Dudley Weaver of Branford, Conn., son of Mr. and Mrs. Elbert Cook Weaver, 32 Phillips st. and Madison, Conn.

Miss Savage, daughter of the late Mr. Savage, is a graduate of Stone College.

Mr. Weaver is a graduate of Phillips Academy and Quinnipiac College, New Haven, and served in the United States Army during the Korean Conflict.

A late summer wedding is planned.

Morrissey - Bishop

Announcement of the coming marriage of Miss Claire Bishop to Boatswain's mate, 2nd class, Richard T. Morrissey, son of Thomas Morrissey, 48 Stevens st., and the late Mrs. Morrissey is made by her parents, Mr. and Mrs. Louis J. Bishop.

The ceremony will take place at 2:30, March 10, in St. Anne's Church. A reception will be held at the Arlington Social Club, Lawrence.

A Jack and Jill party was tendered the couple in St. Michael's Hall, Lawrence, where they received a purse of money from relatives and friends.

BROWNIE TROOP NEWS

Project for Troop 6 of 23 girls is dressing dolls in the costumes of all nations, to be exhibited in the store windows in Andover during Girl Scout Week, March 10-March 16. Each girl supplies her own doll and does her own research work on the country she wishes her doll to represent. They also do the cutting and sewing of costumes under the supervision of the leaders.

Troop 14, consisting of 16 girls, is learning all the songs sung at summer camp especially those where motions tell a story. The girls are also learning to knit and are presently knitting ear warmers or head bands as they are sometimes called. All are keenly interested in the cookie sale and are working for summer camperships.

This time of year working on Fly-Up is a very important project to fourth grade Brownies and such is the case with Troop 61 of 23 girls. Fly-Up is the ceremony where the girls receive their wings and advance from Brownies to intermediate Girl

Scouts. Troop 61 has chosen to learn its laws by arranging noodle letters on paper plates of the various laws. They are also making working charts to keep on the different chores they do around their homes.

First Aid is the project now being worked on by Brownie Troop 99 with 20 girls under the leadership of Mrs. Frederick Eastman. For the next four meetings the girls will assemble and learn the use of the first aid kit.

There is need for a leader to organize and lead a second grade Brownie Troop at the West Elementary School. Anyone interested should please notify Girl Scout Headquarters.

Said the Mackerel to the Shrimp...

"What's all this fuss about fluoridating Andover water to one part per million? . . . just wait 'till it gets around that I pack a cool 27 parts per million when I'm consumed!"

It is true, of course, that canned mackerel, shrimp, lobster, sardines and many other delectable fish are among the many foods we consume daily which contain a high degree of fluoride. Tea, alone, is known to contain 30 to 60 ppm. Investigations have shown, however, that dietary fluorides contribute a negligible quantity to the daily intake of fluoride and therefore provide little protection to the teeth . . . whereas it has been shown conclusively that fluoride does protect the teeth to a significant extent when water containing fluorides is ingested.

1 PPM. Fluoride Has The Power To Prevent Dental Decay

Andover has a very low content of natural fluoride (1/10 of 1 ppm) so a mere 9/10 of one ppm. addition to our entire Andover water supply will safely deter dental caries up to 65%. This fact alone should be enough to convince voting Andover to CONTINUE WITH THE FLUORIDATION PROGRAM COMMENCED LAST YEAR!

Fluoridated Water Is Safe To Drink

This has been brought out not only by the inability of critics to demonstrate any harmful effects from drinking such water but also from a wealth of evidence on the nature of fluoride metabolism which explains the body's ability to use this nutritive element as needed.

Why The Battle Then?

The people of Andover voted to protect the dental health of their children, but certain energetic groups are trying to block a practical public health program by asking for reconsideration at March Town Meeting.

Your Board Of Health Approves

The list of approvals to Fluoridation is very imposing and very long. Besides your Board of Health it includes the following physicians and dentists who live or practice in Andover or North Andover:

Abraham Ash, MD
Philip W. Blake, MD
Donald M. Clark, MD
Thomas A. Ceplikas, MD
Charles Currier, MD
Joseph P. Holihan, MD

93rd Birthday

Mrs. Eda Humphries, oldest member of the Golden Age Circle, observed her 93rd birthday last Thursday at the home of her son and family, Mr. and Mrs. Gerry Worthen of Lowell Junction rd. During the early evening members of the Golden Age group visited Mrs. Humphries and enjoyed some of the birthday cake. She was the recipient of birthday cards, baskets of fruit, flowers

and gifts.

Mrs. Humphries was born in Stoneham in 1864, attended the schools there and upon her graduation attended business college and served her apprenticeship in millinery work and then conducted a millinery business in Hingham and Boston.

Mrs. Humphries is a member of the Methodist church and takes an interest in topics of the day. She has one son, Gerry Worthen,

Waste Paper Drive

Cub Pack 76 waste paper drive held last Saturday was successful due to the cooperation of local residents. The following worked with boys of the six den: Frank Froburg, Charles Bente, Donald Dustin, Tyler Perry and Ellsworth Spencer.

Splash Party

Members of the Ballard Valley United Church Couple's Club enjoyed a splash party last Friday evening at the Lawrence Y.M.C.A. Following the swim the members were guests of the Rev. and Mrs. Ralph A. Rosenblad for a social time and refreshments.

Golden Age Circle

Mrs. Ralph A. Rosenblad was hostess to the Golden Age Circle last Monday afternoon. The Rev. Mr. Rosenblad offered prayer and Mrs. Harry Nason had charge of the devotional service. Luncheon was served by the hostess. Guests included: Mrs. Millie Hammond, Mrs. Anna He, Mrs. Edna Laffin, Mrs. Emma Rollins, Mrs. Myra Ward, Mrs. Harry Nason and Mrs. Frank W.

Birthday Party

Lola Buschmann, daughter of Mr. and Mrs. H. Victor Buschmann, Foster's Pond, entertained a group of her classmates at home to help celebrate her birthday. Games were played, prizes awarded the winners. Refreshments were an attraction. Wishes and the traditional birthday cake were served by Mrs. Buschmann.

Among those present were Janet Letters, Carol Perry, Nolin, Carol Dustin, Jerilyn gerty, Susan Sheaff, Terry Th and Cheryl Silvers.

Coffee Hour Held

The United Church Guild had a successful coffee hour on Monday in the church vestry with following members helping: Ralph Sharpe, chairman, Mrs. George Davison, Mrs. Albert Rosenblad, Mrs. Albert Fischer Jr. and Frank Froburg.

Bowling Notes

Results of the bowling league Wednesday, Feb. 27 were as follows: Queens 4, Deuces 3, Royals 3, Trumps 1; Aces

(Continued on Page 1)

While this new construction has permitted us to meet most service requests, we must do even more before all demands can be filled promptly.

BETTER SERVICE

In your home or in your business, you need good telephone service. But more than that, it should be constantly improving. We believe you are aware of the progress we have made.

Today, 81 per cent of Massachusetts telephone users have fast, modern, local dial service.

This represents a great advance over four years ago when only 65 per cent of telephone users had dial service.

In addition, many customers may now dial direct to Massachusetts and New England points beyond their local calling areas, and even to New York and Philadelphia. More of this direct distance dialing is planned, and it will be only one of many improvements now scheduled for your telephone service.

VITAL TO ECONOMIC PROGRESS

Our program of improvement and expansion has meant employment and wages for many groups of men and women. Millions of dollars have been spent in the last five years for new buildings and building additions in 165 different locations throughout the state. Much of this money went to masons, carpenters, electricians, plumbers, and other Massachusetts workers.

Materials and supplies have been bought from hundreds of Massachusetts merchants and manufacturers. For last year alone, these purchases amounted to over \$1½ millions weekly.

All of this was in addition to the effect of wages earned and spent right here in Massachusetts by 31,000 telephone men and women.

THE ANSWER

Our problem results from the increased costs of providing service and service improvements. The many economies we have put into effect will not do the job.

The plain truth is that the income we now receive from present rates will not continue to cover all of these costs and adequately maintain our credit.

The answer can be found only in the modest increase in rates we are now requesting.

YOUR Telephone Company is asking the Department of Public Utilities to approve increases in certain telephone charges here in Massachusetts.

We will naturally be giving the Department all the detailed facts, statistics, and evidence needed to judge our request. But because this evidence is extensive and complicated, we would like to give you the simple facts about our request and why an increase is so necessary now.

OUR PRICES BASED ON '54 COSTS

Present-day prices for telephone service in Massachusetts are based on costs as they existed in 1954.

Since then, the cost of almost everything we use has increased substantially for us, just as it has for you. Prices of building materials, supplies, trucks, telephone equipment, and nearly every other item required in telephone construction and maintenance, are higher than ever.

WAGES—OUR BIGGEST EXPENSE

Wages represent our biggest cost in the job of providing you with telephone service. Wages alone make up about two thirds of our operating expenses before taxes.

We have put into effect a great many operating economies and cut costs still further through technical improvements. We are continuing to do so, wherever and whenever we can. But these are not enough.

Our big problem comes from the fact that all of our expenses, including wages, are increasing more rapidly than our revenues.

MEETING DEMAND COSTLY

To provide new service for those who want it, and to maintain and improve the quality of service to present users has required an average outlay for telephone construction of over \$1 million a week during the last five years.

This has required more and more equipment, buildings, and lines — all costing more than they did a few years ago.

SHAWSHEEN

Shawsheen Heights Assoc.

At a recent meeting of the Shawsheen Heights Association, held at the home of its president, Walter Curran, 33 Corbett st., plans were made for a dinner-dance for Saturday, March 23 at the Shawsheen Manor. Arrangements are being handled by the entertainment committee, members of which include George Cairns, Mrs. Joseph Drouin, Mrs. James O'Reilly, Mrs. Robert Haeflin, Mrs. Joseph Connors and Mrs. Frank Twomey.

Heights Bowling Team

Starting late in the season for its regular program of bowling, the Shawsheen Heights all-women's bowling team is neverthe-

less in full swing. Next Monday the team will again meet for an evening of active fun. Sometime during the month of March members are planning to hold a banquet to which their husbands are invited. Members of the team include Hazel Ammon, Doris Bayliss, Myra Dreher, Alice Moriarty, Arlene Cairns, Barbara Dufresne, Shirley Demers, Helen Drouin, Betty Evans, Marjorie Groleau, Dot Joiner, Margaret Lebach, Shirley Loeff, Frances Lenfest, Mary O'Leary, Loraine Russell, Agnes Riedel, Joan Schlott, Jean Twomey and Barbara Haefling.

Cub Scouts Paper Drive

Cub Scouts, Pack 71, plan a newspaper drive this coming Saturday morning from 9 till noon, weather permitting. Frank Reardon is chairman of the drive and asks all those who have papers to contribute to have them securely tied and placed on the sidewalk.

A Pack committee meeting was held Tuesday evening at the home of Mrs. Lewis Bravacos on Canterbury st. and was presided over by Davis Cardinal, 13 Cornell rd., assistant cub master. Cubmaster Robert Paul, 17 Cornell rd., is in New York this week.

Shawsheen Women's Club

Victor J. Mill, widely traveled Andover resident, whose home is at 106 Elm st., will give an illustrated talk before the American Home and Antiques Study Department of the Shawsheen Women's Club tomorrow afternoon at two o'clock. This will be the group's last meeting at the Andover Inn for the season. Mr. Mill will show slides from his Mediterranean Cruise, which he and Mrs. Mill took in 1955 and it is expected that some pictures will also be shown from their recent three months' trip throughout the principal countries of Europe. A social hour will precede the meeting.

April 12, the group will have luncheon and go on a guided tour of Period rooms at the Boston Museum, and on May 24 members will visit the historic Lyman House and Gore Mansion, Waltham, and have luncheon.

Camp Fire Girls

The Notanche Camp Fire Group recently attended an afternoon performance of the Ice Follies in Boston. Following the trip, lunch at one of the local cafeterias was enjoyed by the group.

Mrs. A. Morris Campbell, leader, and Mrs. J. Kenneth Arsenault of Lawrence accompanied the following girls: Judy Brown, Lynne Ellen Campbell, Nancy Campbell, Jane Carpentier, Carol Dunlop, Carole Jean Locke, Beth McGovern and Dorrene Schmidlin.

Of this group, Judy Brown, Nancy Campbell, Jane Carpentier and Dorrene Schmidlin also took part in the recent Heart Fund Drive under the direction of Mrs. Phillip Riley.

Newcomers to Shawsheen

Mr. and Mrs. Harry San Filippo and two young daughters, Nedra and Janice, of Bloomfield, N.J., have taken a house at No. 3 Harvard rd. Mr. San Filippo is connected with Bell Laboratories.

Other newcomers to Shawsheen are Mr. and Mrs. Maurice J. Looney, who have moved here from Malden, and are now living at 53 Poor st. They have two children, Edith Joyce and Timothy, both going to Shawsheen School. Mr. Looney is connected with the United Carr-Fastener Corp. of Cambridge and has his office in Burlington.

George Cairns, Gordon Thompson and Officer William Stewart checked voters through the voting place at Sacred Heart School in Shawsheen, during the Monday election. (Leone)

Birthday Party

David Paul, son of Mr. and Mrs. Robert W. Paul, 17 Cornell rd., became seven years of age this week and celebrated the occasion Tuesday afternoon by entertaining seven of his young friends at a birthday party. They included Dana Wilson, Garry Barnes, Chester Bisby, Thomas O'Leary, Stephen and John Misenti and Bradley Dimmick. David is in first grade in Shawsheen School.

Shawsheen School Notes

The first assembly of the school year will be held in the hall tomorrow and will be conducted by Mrs. Sally Donovan's sixth grade pupils. This is being looked forward to with unusual interest because of the length of time the pupils have had to forego assemblies (due to crowded quarters awaiting the completion of the new class rooms). The children taking part, and the program are as follows: Elaine Baron, Betsy Chase and Jane Carpentier will read their own poems; Irene Walsh will read poem entitled "America For Me"; Irene Walsh and Elaine Baron, song duet "Kentucky Babe"; a group of songs by the class; Marsha Lee Previce and George Martin, piano selection; and David Wilson will read a poem, "What a Smile Really Is." Miss Ann Harnedy, principal, will conduct the program in the absence of Miss Donovan.

Mrs. Robert Domingue, 1 Locke st., second grade teacher, is now attending Lowell State Teachers' College for her degree. Her place is being filled by Mrs. George C. Cheyne of Dascomb rd., Ballardvale.

ON BERMUDA TRIP

Dr. and Mrs. John McGinty, 3 Cheever cir., boarded a Pan American Clipper March 2 at Logan Airport for a Bermuda vacation. They are accompanied by Mr. and Mrs. Edwin Andrew, also of Andover.

Unit Meetings Will Study Town Gov't.

Four unit meetings on town affairs are held today by members of the Andover League of Women Voters.

Two morning meetings at the homes of Mrs. Wolf Berthold, 17 Shawsheen rd. and Mrs. A. V. Fuller, 26 Shipman rd.; one afternoon meeting at the home of Mr. George Sherrard of Ballardvale; and a meeting tonight at 7:45 at the home of Mrs. Joshua Mize Taylor Hall, Phillips Academy.

The topics for discussion are Town Warrant, Town Salaries and Memorial Library Addition.

Voters who find it difficult to attend town meeting on Saturday because of the baby sitting problem will be glad to know that the League of Women Voters Service Committee, of which Mrs. Robert A. Prochazka, 16 Argyle st., chairman, has arranged with the Service Club of Pynchard High School to provide baby sitting at the Central Elementary School auditorium from 12:30 to 5:30.

HEALTH BOARD OK'S FLUORIDATION

(Continued from Page One)

water supply.

"The Andover Board of Health would also like to point out the last year it co-sponsored Article 81 in the town warrant which advocated the fluoridation of our water supply. This article was approved by the voters at the town meeting in 1956. Since that time, additional scientific information relative to the safety and efficiency of fluoridating our water supply supports the action of the Board and the wisdom of the voters in 1956."

The statement was signed Robert A. Walsh for the Board.

VOTERS TURN DOWN MANAGER PLAN

(Continued from Page One)

for re-election to the Board of Selectmen; Arthur Reynolds, sole contestant for a Library Trustee post; and the three constables, George Sparks, George Brown and Roy Russell received large complimentary votes.

Mr. Reynolds polled the largest vote, 3971. Runner-up was Roy Russell, with 3947 votes for constable, also an un-contested office. Stafford Lindsay received 3880 votes for Selectman and 3779 for assessor.

Russell, easily defeating James Gordon for the School Committee seat, carried all precincts for a lop-sided victory. The vote was Russell, 3267 and Gordon, 1241.

Roland Sherman, opposed for the first time for the moderator's post, defeated John O'Connell, 2754 to 1786.

In the Board of Health contest, Richard McKallagat carried five precincts to defeat Karl Rohde, 2340 to 1989.

Pomona Meets

Friendship Pomona 39 met in West Boxford last Saturday. The afternoon meeting opened at 4:30 with a business meeting and was followed by a food sale. Supper was served at 6 by members of West Boxford Grange. Speakers at the evening session were Deputy Gibson of Bridgewater and Deputy Willard of New Hampshire.

Mr. and Mrs. Floyd Darby, Mrs. Bertha Pike and Ebba Peterson were present from Andover.

Bean Supper

Members of Andover Grange will serve a public baked bean supper in Grange Hall, March 16, at 6 p.m. The proceeds will go to cancer research.

Church News

The flowers in the West Church last Sunday were contributed by William Corliss and family in loving memory of Mrs. Corliss.

Play Rehearsals

The members of the cast of the two one act plays are busy rehearsing Monday and Wednesday evenings for the plays entitled "This Way to Heaven" and "Paul Wrecks the Car". The plays will be presented in the church vestry late in March. They are being directed by Mrs. Charles Hamburg and Mrs. Robert Paul.

Building Progress

Following the 10:30 service in the West Church last Sunday morning, many members of the congregation took advantage of the opportunity to inspect the new building. Members of the Building Committee were stationed in various positions in the new plant to explain the construction. The rooms are now divided and the exact size and shape of each room was noticeable.

Square Dance

The regular Square Dance will be held in the West Church vestry Friday evening at 8. Joe Perkins will do the calling.

Personals

Mrs. E. Stanley Brown has re-

turned to her home on Reservation rd. after a stay at Ft. Lauderdale, Fla.

Mrs. Ethel Spear of Norwood is enjoying a few days with Mr. and Mrs. George H. Winslow of Henderson ave.

Mr. and Mrs. Emerson Wilson and daughter of High Plain rd. spent the weekend with Mr. and Mrs. J. L. Wilson of Northampton.

Mrs. A. L. Loosigan of Lowell st. is enjoying a few weeks in Miami, Fla.

Mr. and Mrs. Lathrop Merrick and sons of Durham, N. H. were Sunday guests of Mr. and Mrs. Karl Haartz of High Plain rd.

Frank Donahue is recuperating at his home on River rd. following surgery performed in the Lawrence General Hospital.

Mrs. Susie Northey of Rocky Hill rd. is spending several months visiting her son, Elwood, in Norfolk, Va.

The Tyer Rubber Company announces the appointment of Dale A. Dougherty as manager of industrial relations and industrial engineering. A graduate of the University of Pittsburgh, Mr. Dougherty has worked for the Rockwell Manufacturing Company as assistant to the manager of industrial relations and for O'Sullivan Rubber Corp. as manager of industrial relations and assistant to the president. He is now resident of Andover with his wife, Felicia, and their five-year-old son, Dana.

PRINCESS ILEANA SPEAKER HERE

(Continued from Page One)

who arrives in Andover tomorrow will be principal speaker at the World Day of Prayer Service the United Church Women of Andover in Christ Church, Friday night at 8 o'clock.

The Princess will be the house guest of her friends of long standing, Mr. and Mrs. C. Carle Kimball, 50 School st.

One of the warmest and selfless personalities of our day, the Princess possesses not only a deep personal faith, which has carried her through all the trials of her country's and world's conflicts, but also a talent for making her great gifts felt by many audiences. Her message before the United Church Women tomorrow will doubtless be one of spiritual strength and confidence which is so characteristic of herself and her writings.

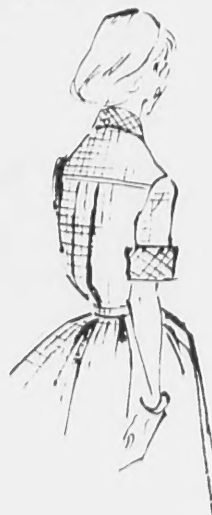

Taking part in the call to worship will be the Rev. John M. Doherty, William Doherty, Doherty and James Doherty.

A delegation from Concordia 783, Catholic Daughters of America attended the funeral.

Ushers will be Mrs. Harper Lansbee, Mrs. John Murray, Ada Billington and Mrs. William McIntyre.

CALL 1943 FOR
OUR AD TAKER

Stand On The Record!

Chairman Allan Flye of the Board of Public Works arbitrarily called an executive session of his board Monday night. Normal notice of the meeting had been received by this newspaper through the mails, with no indication that an executive session would be called.

We want to make this point clear — whenever that Board, or any other, has ever asked reporters to leave a meeting so the members could discuss a problem there has always been immediate and cheerful compliance. For the newspapers recognize that occasional problems may arise that require private discussion. Moreover, most town boards have come to find that newspaper reporters can be trusted to sit through personnel discussions or other relatively personal matters without harm. For the reporters and the newspapers do not like to and will not report personal matters.

When the BPW chairman was asked, Monday night, why a secret session was being called, he did not give a reason.

We suspect that the reason, far from protecting the rights of any individuals under discussion, was based on the chairman's chagrin that full coverage of the board's activities has indicated something less than a cooperative attitude on the board's part in relation to its dealings with the selectmen.

This is self evident — any statement by an elected official of the town on a serious subject before that official for consideration should be printed. For the men and women who elected that official have an inherent right to know what the official believes and what stand he takes on any given subject.

Any official of any town should be willing to stand on his record, as expressed openly at a public meeting. He should not in any way express his opinions but be unwilling to have them reported to the men and women who elect him.

This newspaper tries hard to be accurate. And it succeeds. We do not believe that opinions expressed on important town problems should be omitted from the news columns just because an official wishes to express his opinion without assuming the logical obligations of standing behind the statements when the public reads and discusses them.

Attend Town Meeting

When the clock hands roll around to 1:30 Saturday afternoon, they'll have just one message for every sincere voter — it's town meeting time.

And that is just where all voters should be Saturday — at town meeting where decisions affecting the growth and progress of the community will be made, using the same democratic methods established so many years ago in old New England.

In those days, of course, various restrictions were placed on being a voter — for one thing a person must own property and, of course, the women couldn't vote. But these days, practically every adult is a registered voter and has a right to go to town meeting and voice an opinion and cast a vote.

Thousands of dollars will be appropriated at the Saturday session. Important decisions will be made, affecting all of us for the coming year.

Don't leave those decisions to a relative handful. Attend the meeting and take a personal part in the town meeting.

Few people talk too little—but a great many talk too much.

No habit grows faster than that of depending on others.

Down the Years with The Townsman

50 Years Ago — March, 1907

The November Clubhouse was the scene of a very pretty dancing party last Friday evening when some 30 couples attended. They enjoyed music by the Florella Trio.

Miss Ella Holt has gone to Washington, D. C. for a vacation.

The marriage of Alonzo B. Hawksworth, the well known blacksmith, and Mrs. Mary B. Mears, took place Saturday at 7 p.m. in the Congregational parsonage, with the Rev. A. H. Fuller officiating. The couple will live on Oak st.

25 Years Ago — March, 1932

George Winslow, incumbent town clerk, has been re-affirmed winner of the election Monday. Charles W. Bowman lost the election by three votes and had asked for a recount, which was finished last night. The total vote was unchanged from Monday's figure. Frank H. Hardy was re-elected to the Board of Selectmen and Thaxter Eaton returned as treasurer.

An article for \$20,000 for pumping equipment for the Haggett's Pond station has not been approved by the Finance Committee. That body first voted to approve the article but has reconsidered its action. The Committee said it finds there to be little agreement about the equipment or its need and suggests that a study be conducted before major changes are made.

The new Taxpayers Association has announced it will support only those articles at town meeting which will keep the tax rate at or below \$21 per thousand valuation. The Selectmen, said President O'Connell, are planning to lower property valuations as well, in line with present rebuilding costs in the town.

The town may be required to spend at least \$3700 on moth suppression this year, despite a FinCom recommendation that \$2500 be appropriated. The state department concerned with this work has conferred with the Selectmen and it has been pointed out that the state may require the town to spend \$5000, if it wishes, based on a percentage of the town's valuation.

10 Years Ago — March, 1947

Punchard came within a point of beating their guests from Babylon, N. Y., Saturday night. The local team was leading up to the last minute of play, when a basket and a foul shot put Babylon in front.

The voters favored equal pay for men and women teachers when the results of Monday's election were tabulated. Returned to office at the election were J. Everett Collins, Board of Selectmen; Sidney White, Board of Public Works; Mrs. Dorothy Partridge, Mrs. K. K. Baldwin, School Committee, with Atty. Vincent Stulgis elected to that office for the first time.

Andover Grange 183 will meet Tuesday night in Grange Hall when members of six neighboring Granges will attend Visitors Night.

WILL BUILD NEW OFFICE

The Andover and Merrimack National Bank has received permission to erect a new bank office on Main st. in Haverhill. The Monument Square office was authorized by the Comptroller of the Currency of the United States.

Good Job

We noted, with considerable pleasure, that the Selectmen have congratulated the Finance Committee on the job it has done this year.

We'd like to offer our congratulations, too.

For the FinCom's job is a tough one. During the weeks before town meeting the members of that committee must sit down with all the town budgets and all special articles dealing with money and make recommendations for the voters to accept or discard. The work is hard — and the criticism is heavy whenever someone's pet project fails to receive approval.

So it is no wonder that many individuals don't want the task. There is little pleasure, after all, in doing a job well only to be criticized.

That's why it is good to hear an official word of praise for the Committee. And it's why we feel the members deserve credit, for they have individually and collectively done an honest, thorough job and have come up with recommendations that appear to make sense.

Local Women Took Part In Exhibition

The Andover Garden Club was well represented recently at the flower and antique show presented by the Country Gardeners of Georgetown. Following the theme of the show "Antiques on Parade," several beautiful arrangements by members of the Andover Club were exhibited adding much to the pleasure of the large number of Andover women present.

A Symposium, a demonstration of flower arranging by three artists, was the highlight of the afternoon. Mrs. Byron B. Cleveland and Mrs. Robert G. Richards of the Andover Garden Club and Mrs. George Taylor of Marblehead delighted their large audience with the preparation of distinctive arrangements, each in an antique container and arranged with flowers appropriate to the type and period. Opening the program was Mrs. Cleveland. She chose a fascinating container which was originally a black stove top. A beautiful, triangular arrangement of jet beans (jet bush), deep red gladioli, snapdragons and anemone interspersed with lemon leaf and geranium foliage vividly depicted flames of fire.

Mrs. Richards' demonstration featured the use of antique straw baskets and an antique doll to produce a charming composition. A lovely casual arrangement of yellow roses, tulips, jonquils and iris in a large antique basket was balanced by the antique doll holding its tiny basket against a lovely old plum brocade drapery.

Mrs. Taylor produced a formal arrangement in an unusual silver container of the Empire period of French design. A "Fleur de Lis" was fashioned with acacias, and white and yellow tulips, jonquils and blue iris were used to produce a regal yet graceful arrangement.

Exhibiting in the section for artistic arrangement were Mrs. Charles H. Hollis, Mrs. Ralph Wilkinson, and Mrs. Henry Van Zandt. Mrs. Hollis entered the invitation class, buffet tables. A lovely gray satin damask cloth intricately embroidered in pale rose and blue served as a handsome background for the antique sherry decanter and glasses and her beautiful arrangement of white fuschia, tulips in shades of pink to deep rose, anemones and snapdragons in a pink-amber crystal container.

Entered in the open competitive class was the exhibit of Mrs. Ralph Wilkinson. Set in a niche against a gray-green background,

Mrs. Wilkinson's charming arrangement of red carnations and grey eucalyptus foliage in an antique pewter coffee pot formed a very pleasing portrait.

Mrs. Van Zandt exhibited in the competitive open class in which no flowers were permitted. A triangular arrangement on driftwood and featuring fruit, ti leaves, croton leaves, taxus and begonia foliage set in a niche of soft yellow background, created a distinctive and interesting effect.

Equipment Worth \$2700 Costs \$58

The town has purchased \$2700 worth of materials for \$58.75 according to Civil Defense Director Harold Wennik.

He reported that the town was on a select list of municipalities allowed to buy all types of materials from the government at prices far below cost. Several trips were made to a warehouse where the supplies were picked up.

Wennik pointed out that equipment certified for civil defense may be purchased on a matching fund basis, as well. Under the plan, the government pays half the cost, the town the remainder.

JOHN PIDGEON NEW HEADMASTER

Announcement has been made of the appointment of John A. Pidgeon, son of Mr. and Mrs. Alfred Pidgeon, 24 York st., as headmaster of Kiski School, Saltsbury, Pa., next September.

Pidgeon is presently a teacher of Latin at Deerfield Academy and coach of the swimming, cross country and track teams. He attended Phillips Academy and Hebron Academy and graduated from Bowdoin College. During World War II he served with the Maritime Service, having graduated from the Massachusetts Maritime Academy.

P.H.S. Junior Awaits Ham Operator's License

Phil Colquhoun works with his ham radio equipment, as he anxiously awaits word that he has been granted his novice operator's license.

Phil Colquhoun will soon join that small group of amateur radio operators who hold a novice license.

Phil, a junior at Punchard High School, started building small crystal sets seven or eight years ago. Jan. 20 of this year marked the culmination of his work in this field, when he took the examination and filed application in Washington for his novice license.

When this important document arrives, it will contain an assigned call letter which will enable him to operate on all novice class radio bands.

Phil has found that a major challenge to be faced with this hobby are the expenditures required for expensive equipment. Some that he has purchased are a Hallicrafter's receiver, a Telvar 40-watt transmitter and a 136 foot Windom Antenna. He has found, however, that the addition of each new piece of equipment has increased his interest and enjoyment in this field. With his license to operate Phil feels he will really qualify as a "ham" operator.

Punchard High

By The Press Club

Blue Devils

Punchard played St. Mary's of Waltham last Friday in the Boston Garden before a great number of loyal rooters.

Although the game was lost by the Blue Devils, it is a great tribute to Coach Kenneth McKinery and his team that they were able to be one of the 12 teams in Class C to participate in this basketball pageant. This was also the eleventh consecutive team Coach McKinery has led to the tournament.

Service Club

The Punchard High School Service Club recently made a number of favors for Valentine's Day for the North Reading Sanatorium patients. An article and a picture concerning this activity will appear in the Massachusetts Dental Hygienist's Bulletin, a publication with a circulation of approximately 600 copies. One of these copies is sent to Washington, D. C., where the material is

reviewed and the best articles are selected for the nationwide publication The United States Dental Hygienist's Bulletin.

It is the hope of the Punchard Service Club that their article may have the honor of appearing in the national Bulletin as well as in the Massachusetts publication.

P.H.S. Dance

"March Melody," a dance sponsored by the Punchard branch of the National Honor Society, will be held on Friday, March 8, in the Punchard Gymnasium, from 8-11. A popular disc jockey will play records.

P.H.S. Senior Class Play

Rehearsals have begun for the senior class play, which will be presented April 5 and 6 in the Memorial Auditorium. The cast will rehearse on Monday and Friday evenings and on Wednesday afternoon this week. The entire cast will rehearse at these meetings.

BALLARDVALE

(Continued from Page Four)

Jokers 0; high triples; Doris Sciuto 286 and Peg Townsend, 264; high singles, Doris Sciuto 99 and Nellie Znamierowski 97; high pinfall, Aces 1236.

Games scheduled for Wednesday March 13, Trumps vs Deuces; Royals vs Jokers and Aces vs Queens. This ends the fourth round.

Membership Classes for Youths

Membership classes for young people will be held during Lent for those who will be joining the Ballard Vale United Church. This year young people will join the church at the service on Maundy Thursday, April 18. There will be two classes. Those attending High School may attend the class taught by the pastor in Sunday School. Anyone in Junior High School may attend the preparatory membership class on Sunday

Hunter Safety Course Planned

A hunter-safety course will be-
 gin here within two weeks, accord-
 ing to Forrest Noyes of the
 Sportsman's Club.

He said boys between 15 and
 18 who wish to take the course
 should return their applications
 immediately. Forms may be ob-
 tained at the J. E. Pitman Co.,
 Sportsman's Barracks, W. R. Hill
 Co. and at the principal's office
 at Punchard High School.

The course, which must be tak-
 en by all boys in that age group
 before they can buy a hunting li-
 cense, will be given at Punchard.
 Assisting Noyes will be Ed Has-
 elton, John Keith and John Brod-
 erick.

Gordon Smith, state conserva-
 tion officer for this district, will
 supervise the course.

The course will include safety,
 the handling of all types of fire-
 arms, field trips and actual firing
 instruction.

Has Major Exhibit At Flower Show

The Andover Garden Club is
 exhibiting a small garden at the
 annual spring flower show at
 Mechanics Building in Boston.

The show opens Sunday and
 continues through March 16. Mrs.
 Douglas S. Byers is committee
 chairman and is assisted by Mrs.
 Jerome W. Cross and Mrs. Fredric
 S. O'Brien. Mrs. John M. Stewart
 and Mrs. Charles W. Arnold Jr.
 are acting as consultants.

Other members of the Club are
 exhibiting in the flower arrange-

ment division and still others are
 acting as hostesses.

Also interested in the annual
 show are members of the Junior
 Garden Club, one of the few
 junior groups exhibiting. Joanne
 and Donald Emmons, Margaret
 Brown, Michael and Susan Sulli-

van, Dale Barraclough and Marietta
 Amy are concerned in the project.

The Junior Audubon division
 of the club is exhibiting a model
 mountain showing the strata and
 the trees and birds found at
 various levels.

Walter E. Kingston, general manager of Sylvania Electric Company's atomic energy division, will become executive vice president of the Sylvania-Corning Nuclear Corp. when it is formed. The new firm has options on land in West Andover for erection of multi-million dollar facilities.

Doug Howe
about this question

The only auto accidents I have had were on icy roads, where it's hard to keep a car under control. With damage suits running so high, I'd feel better with \$25,000 auto insurance instead of \$10,000. Does this added protection cost only about \$5 per year?

For the answer to this and all other insurance questions, consult:

DOUGLAS N. HOWE
52 Main St. Tel. 2208

TOWN MEETING IS SATURDAY

(Continued from Page One)

done this as a public service, believing that many voters may want to compare the two groups' recommendations without referring to separate brochures.

Other Recommendations

The Taxpayers Association, in addition to the recommendations listed elsewhere in this issue, have approved the budget with the exception of a suggested \$10,000 cut in the over-all BPW figures.

The group has also recommended a \$300 increase for the town treasurer rather than a larger one contained in the FinCom recommendations.

Special Articles:

\$2000 for two new cars for Police Department, trading in 1956 Ford and 1956 Plymouth;

Approved by both.

\$1873 to equip and purchase one-ton pick-up truck for Fire Department, trading a 1953 pick-up; FinCom approves, Taxpayers reject.

\$6300 to buy typewriter-book-keeping machine and equipment for accountant and treasurer; FinCom says yes, Taxpayers want postponement for year to study all office procedures.

Accept Chapter 670, Acts of 1955 and amendments, relating to increasing pensions, retirement allowances and annuities; Taxpayers disapprove.

\$35,000 for engineering consultants or employees for complete revaluation of taxable property; Both approve.

Authority to the Selectmen to sell or lease infirmary, with approval of Finance Committee and Welfare Board; Taxpayers approve.

\$50,000 purchasing and developing land for off-street parking, with approval of Finance Committee; FinCom recommends \$25,000, Taxpayers approve whole amount.

Transfer \$6000 from parking meter account to develop Shaw property for off-street parking, plus authority to tear down buildings on the land; Both approve.

Authority to sell strip of land 30 feet wide and 250 feet long at rear of municipal parking lot, at 10 cents a square foot, to St. Augustine's Parochial School; Taxpayers suggest rental, not sale, with town to reimburse Church for surface improvements if town resumes occupancy.

\$50,000 and appoint seven-member committee to acquire several parcels of land for future schools, public buildings, fire station and recreation areas — Selectmen to appoint the committee;

FinCom says \$25,000, Taxpayers approve all, with subsequent purchases only with approval of Planning Board and FinCom.

\$200 to be added to unexpended balance of \$1600 to acquire land on Center and Andover streets for public use and protection of other town land; Both approve.

Accept 12 acres off Elm st. as a gift for a school site; Taxpayers approve.

Appoint committee of three to study by-laws and zoning by-laws and report to 1958 regular town meeting and appropriate \$1000; Both approve.

Committee of five, appointed by Selectmen, to study General Laws relating to collection of money due the town;

Taxpayers approve.

Enact a by-law relative to re-

moval of loam, sand, gravel, and stone — selectmen must license it, control as to area, depth, contour and no more loam than one-half the depth can be removed unless in connection with construction on the parcel;

Taxpayers say yes.

Repeal zoning by-law relating to removal of earth; Taxpayers approve.

Allow superintendent of streets or police to remove vehicles interfering with snow plowing or removal;

Taxpayers approve

Acceptance of Post Office ave. Taxpayers approve.

\$5000 to reconstruct Post Office ave. if accepted by the town; Both approve

Enact a by-law to establish permanent personnel board to prepare wage and classification plan; \$3000 appropriation for professional advice if desired; Both approve

Library addition at \$192,000; Both disapprove

\$7500 for sidewalk construction; Both approve

\$5000 for repairs to Ballardvale bridge; FinCom allows \$5000, Taxpayers \$3000.

\$2500 for highway fence and guard rail construction; FinCom says yes, Taxpayers no.

\$10,000 to conduct a study of added water supply; Both approve.

\$8500 to study extensions and improvements to sewer system; FinCom approves, Taxpayers want town engineers to do it by adding clerical help in BPW office.

\$95,810 for improvement to water system with \$5810 to be raised and \$90,000 bonded for 10 years, approval of Finance Committee and Selectmen required to begin work; Approved by both.

\$25,000 for adding to and repairing town garage; Both approve.

\$36,800 for three trucks, hydraulic sand spreader, sidewalk roller, tractor loader, street sweeper, sidewalk plow and smaller items costing less than \$1000 apiece, with each similar piece of equipment owned by the town to be traded as part of purchase price;

FinCom says \$26,300, omitting street sweeper; Taxpayers recommend \$23,800, omit street sweeper and replace roller and trailer for \$2300 instead of \$5000;

\$23,000 transfer from available funds, from amount to be paid to town by the state under highway construction act and to allow Selectmen to acquire land on north side of Ballardvale rd.; Both approve.

\$30,000 plus transfer of \$10,000 from incoming state highway funds for Chapter 90 highway construction; Both approve, Taxpayers also want Planning Board approval of project before started.

\$91,600 to construct trunk sewer from existing facilities in Shawshen to Lincoln st. and provide facilities to property abutting on Arthur rd., Mary Lou lane, Marilyn rd., Theodore ave., part of Lincoln st. and other property adjacent to Shawshen Hylands development, providing all work done except trunk main itself be assessed under betterment act; FinCom disapproves, wants sewage study done first; Taxpayers approve if entire cost assessed as betterment;

\$10,000 for new sewer in Juliette st. and connect it to present

system, complete betterment charges against property owners benefiting directly or indirectly;

Both approve

\$15,500 for purchase of truck chassis and equip with backhoe or trench digger;

FinCom disapproves; Taxpayers recommend negative vote, want \$12,000 budget item for rental applied to rental-purchase agreement with remaining funds to be voted next year.

Rescind action of last regular town meeting and halt all fluoridation of water here and dispose of equipment.

Taxpayers disapprove reconsideration.

Amend by-laws relating to special town meetings being called only for specific purposes as with approval of Selectmen; Taxpayers approve.

Extend residential Zone A westward from Bowdoin rd., as shown on preliminary plan, propose section two of Shawshen Heights development;

Taxpayers will be guided by Planning Board recommendation at town meeting.

Accept 400 feet of Harvard rd. If BPW approves.

Accept Lockway rd. from Camel rd. to Walnut ave.; If BPW approves.

Accept Lucerne dr.; If BPW approves.

Accept Princeton ave. for 30 feet west from accepted section; If BPW approves.

Accept Stevens cir. off Sumner st.; If BPW approves.

Accept Suncrest rd. off So. Main st.; If BPW approves.

Allow treasurer to borrow money in anticipation of revenue; Taxpayers approve.

To continue state-aided vocational education requiring appropriation of \$1940; Both approve.

Authority for treasurer to borrow in anticipation of State School bond issue, with note payable yearly and to renew as such note for period of less than a year; Taxpayers approve.

Inform Congresswomen Hogen through Selectmen that town is in accord with Congressional bill dealing with Merrimack River flood control; Taxpayers approve.

Accept \$3763 including fund of \$300 for perpetual care lots in Spring Grove Cemetery; Taxpayers approve.

Accept \$30 to be awarded Rafton science prizes; Taxpayers approve.

Accept 19 shares of Middle South Utilities Inc., common stock, gift of Helen and Harold Rafton, income to be used for Rafton science prizes each year; Taxpayers approve.

To amend by-law so that voters will get ballots when entering town meeting; Taxpayers approve if type ballot and method of use approved by Selectmen.

Transfer \$20,000 from town reserve to reserve fund; Both approve.

Use \$60,000 to reduce tax rate; Both approve.

Determine disposition of cash in treasury and unexpended appropriations;

Act on reports of town officers; Taxpayers recommend report be available week ahead of town meeting for study.

BPW CALLED CLOSED MEETING MONDAY

(Continued from Page One)

Mayor was waiting in anticipation of a joint Selectmen-BPW meeting on street acceptances. He announced "We're going to have an executive session tonight if that's all right with you." When asked why the session, in view of the upcoming meeting with the Selectmen, he replied "we're going to have an executive session." He said Selectmen were aware of the session.

Further efforts to find a meeting should be closed. The public brought the record "Before I lose my temper calling this an executive session tonight." He said that right as chairman.

Members of the Board, in the room, had nothing during the short discussion. He didn't respond to a question whether personnel problems were to be discussed or other subject was to come. He said not be reported because of its nature.

Guests Of The BPW

Queried later about the session, Chairman Sid White of the Selectmen said. He intended to have an executive session. He also pointed out that Selectmen were going to the town as guests of the BPW. Nothing to do with any closed meetings.

Selectman William V. Hogen said that the Selectmen guests and further state wanted to discuss something out without benefiting the town.

Street Acceptance

The street acceptance process Chairman White announced. He said the streets will be accepted as approved by the town several weeks ago.

White said several locations where the Selectmen had developers some time to situations, had not been in as promised, which left no choice but to refuse acceptance.

And Post Office ave., the subject of at times heated discussion, is also a dead issue.

White said the two items that nothing should be done about the avenue — in the warrant for acceptance because "The town is not on prevailing conditions." He explained that acceptance of the article's wording, his driving at an agreement with Reznik. One subject, it was felt, is a storm tank under the street which Mr. Reznik wanted.

White pointed out that Mr. Reznik, in all probability, would meet with the Selectmen at town meeting to arrive at a solution.

The decision on other acceptances was explained by Selectman White this way: Harvard st., not accepted previously agreed by both Selectmen, accepted by the town. Lucerne dr., accepted by the town. Stevens cir., accepted by the town. Suncrest rd., accepted by the town.

Mr. White said Lucerne acceptance creates a problem because many homes have drainage pipes tied into the road. The town reported, will report to town meeting that accepted with the town. He said no future responsibility for drainage problems from the town that the restriction

BPW CALLED CLOSED MEETING MONDAY

(Continued from Page One)

editor was waiting in anticipation of a joint Selectmen-BPW session on street acceptances. He blandly announced "We're going to have an executive session tonight if that's all right with you."

When asked why the sudden decision, in view of the up-coming meeting with the Selectmen, Flye repeated "we're going to have an executive session." He said the Selectmen were aware of that decision.

Further efforts to find out why the meeting should be closed to the public brought the response "Before I lose my temper, I'm calling this an executive session tonight." He said he had that right as chairman.

Members of the Board, seated in the room, had nothing to say during the short discussion. Flye didn't respond to a question as to whether personnel problems were to be discussed or some other subject was to come up that should not be reported because of its nature.

Guests Of The BPW

Queried later about the closed session, Chairman Sidney P. White of the Selectmen said he knew Flye intended to ask his board to have an executive session. He also pointed out that the Selectmen were going to the meeting as guests of the BPW and had nothing to do with any decision on closed meetings.

Selectman William V. Emmons agreed that the Selectmen were guests and further stated "We wanted to discuss something and iron it out without benefit of the press."

Street Acceptance

The street acceptance problem, Chairman White announced, had been cleared up at the meeting. The streets will be accepted or not as approved by the BPW several weeks ago.

White said several locations, where the Selectmen had given developers some time to correct situations, had not been improved as promised, which left no choice but to refuse acceptance.

And Post Office ave., the subject of at times heated discussion, is also a dead issue.

White said the two boards agreed that nothing should be done about the avenue — included in the warrant for acceptance — because "The town counsel frowns on prevailing conditions".

He explained that acceptance, by the article's wording, hinged on arriving at an agreement with Samuel Reznik. One subject for concern, it was felt, is the oil storage tank under the street to which Mr. Reznik wanted access if the street was accepted. Mr. White pointed out that Mr. Reznik is ill and, in all probability can't meet with the Selectmen before town meeting to arrive at any solution.

The decision on other street acceptances was explained by Selectman White this way:

Harvard st., not accepted as previously agreed by both boards; Princeton ave., accepted as agreed; Lucerne dr., accepted as beginning of circle; Stevens cir., disapproved; Lockway rd., rejected; Suncrest rd., approved to the circle.

Mr. White said Lucerne dr. acceptance creates a problem because many homes have storm drainage pipes tied into the town drain in the road. The BPW, White reported, will recommend to town meeting that acceptance be approved with the town to have no future responsibility for drainage problems from the homes and that the restriction be re-

Transfer \$20,000 from over reserve to reserve fund;

Both approve.

Use \$60,000 to reduce tax rate;

Both approve.

Determine disposition of cash in treasury and unexpended appropriations;

Act on reports of town officers;

Taxpayers recommend report be available week ahead of town meeting for study.

V.F.W. Commander Joseph L. Monan presents a check for the polio fund to Co-Chairmen J. Woodrow Crowley and Fire Chief Henry Hilton. The money was raised at a benefit basketball game played by the Vets team. The check brought the fund to over \$5400 for the year. (Leone)

corded in the registry of deeds.

Stevens cir., White related, was laid out by the Selectmen with the understanding that stone bounds be put in and subject to inspection of plans on file with the Planning Board relating to proper drainage. The bounds are not in, he said and the BPW was unwilling to accept the street with the provision that work be done this spring under a bond or that work be done under the betterment act.

The stone bounds on Lockway rd. couldn't be located, White declared, making it ineligible for acceptance.

Suncrest rd. to the circle was approved but White explained that more tar has to be put on the circle itself and the two boards decided not to accept the circle until the contractor had done the work in warm weather. The developer has done a lot of work on the bounds, White said and they will be completed later in the unaccepted portion.

Following his description of the street acceptance agreement, Mr. White replied to a question "I didn't see anything" when he was asked whether anything had gone on at the meeting that would seem to require a closed session.

Despite Earlier Comments

The Board of Public Works and Selectmen had driven around town to the various streets Monday morning.

Last week, when the BPW met, there had been some apparent disagreement between the boards

Wedding...

MARTIN - LARRABEE
The Newtonville Methodist Church in Newtonville was the scene Saturday, Feb. 9 of the marriage of Miss Elizabeth Margaret Larrabee, daughter of Mr. and Mrs. Frank Lewis Larrabee, 32 Auburndale ave., West Newton and David Harvey Martin, son of Mr. and Mrs. James Samuel Martin, 3 Washington ave. The Rev. Hamilton Gifford officiated at the 3 o'clock ceremony before an altar arranged with white stock and carnations.

The bride who was given in marriage by her father wore a gown of antique dupioni silk fashioned with bustle back, short sleeves and alencon lace trimmed neckline and waist. A crown of orange blossoms held her fingertip veil of silk illusion and she carried a cascade of butterfly roses, hyacinths and ivy.

The matron of honor, Miss Mary Ellen Larrabee of West Newton wore pale pink crystalline in princess style with bustle back and matching hat and shoes. Her flowers were two-tone pink carnations, ivy and hyacinths. The bridesmaids, Miss Jean Marie Swanfeldt of Newton and Miss Beverly Ann Ross of Reading wore emerald green gowns similar to the honor attendants. They wore matching hat and shoes and carried pink feathered carnations and ivy.

Noel John Belcourt Jr. of Wethersfield, Conn. was the best man and the ushers were Frank Lewis Larrabee Jr. of West Newton, Kenneth Harvey Ross and Hugh Ross of Reading.

A reception was held in the church parlor after which the couple left on a wedding trip to the Adirondacks. The new home will be at 55 High st.

The bride is a graduate of Newton High School and Lasell Junior

Student Minister At Free Church

GARY W. SMOTHERS

Gary W. Smothers, a first-year student at Andover Newton Theological School, has been appointed Student Minister of the Free Christian Church.

Mr. Smothers is a native of McGregor, Iowa and a graduate of the University of Dubuque in 1956. He received his Bachelor of Arts degree, with honors, with a major in history and a minor in speech and English.

He is currently studying for a Bachelor of Divinity degree in Pastoral Psychology, with plans for entering the chaplaincy.

Mr. Smothers will teach a Church School class, participate in the Sunday morning worship service, will serve as advisor to the youth groups and will assist in many phases of the church's life.

Mrs. Smothers, presently a teacher in the Lexington public schools, is also a graduate of the University of Dubuque, where she received a Bachelor of Arts degree in Education.

Mr. Smothers was active in many extra-curricular activities at the University - track, basketball, member of Phi Alpha Theta, honorary society for history majors; Alpha Phi Omega, Dubuque scholastic honorary fraternity. He was vice president of Phi Alpha Theta and treasurer of his class for one year. He also was active in the First Congregational Church of Dubuque, serving as youth group counselor, Church School teacher and basketball coach.

BABY SITTING SERVICE FOR TOWN MEETING

Punchard High School Service Club, in cooperation with the League of Women Voters, is offering baby-sitting service on Saturday, March 9 from 12:30 to 5 p.m. to enable parents to attend town meeting. Children between the ages of 5 and 8 may be brought to the Central Elementary School. It is requested that parents bringing children to the school use the front door on Bartlett St.

If parents have children who are younger than five years of age, they may have a high school girl go into their home, free of charge, to baby sit, while they are attending the meeting. It is understood that the girl will be given transportation from her home and back again. Thirty-five girls have volunteered to help in this way. Parents wishing such service are asked to contact Leslie Hart on Rocky Hill rd. or Betsey Gilcreast, 23 Bartlett St.

French Naturalist's Paintings Exhibited At Addison Gallery

Through the co-operation of the American Embassy in Paris, an exhibition of drawings and water-colors by the noted French naturalist, Charles-Alexandre Lesueur (1778-1848), entitled "A FRENCHMAN IN AMERICA," will be on view at the Addison Gallery of American Art, Phillips Academy, through March 17.

Loaned by the Museum of Le Havre, France, this exhibition presents an absorbing commentary on various aspects of American life in the early nineteenth century. In addition to genre scenes inspired by his travels through New England, the Great Lakes area, and down the Mississippi, Lesueur made detailed scientific sketches of the flora and fauna which attracted his interest along his way.

The present exhibition of 60 works, chosen from the more than 1,600 which Lesueur made during the twenty years he was in America (1816-1835), is being circulated throughout the United States by the Smithsonian Institution Traveling Exhibition Service.

In 1835, Lesueur returned to France, where he devoted the rest of his life to the study of natural science. He was named director of the Municipal Museum of Le Havre in 1848, and when he died several months later, on December 12, 1848, left the museum heir to a wealth of unpublished scientific data and drawings gleaned during a full and productive life. It is from these collections that the present exhibition is loaned.

The Addison Gallery is open daily from 9 to 5 and on Sundays from 2:30 to 5 and is free to the public at all times.

FILM FOR MOTHERS

Mothers of the Bluebird group of Littlest Listeners will have a movie at the next meeting of the group. "Children's Emotions" has been selected by the mothers for viewing on Wednesday morning, Mar. 13, at 10 o'clock, while the little people are having their story hour. This 22 minute sound movie analyzes the major emotions of childhood including fear, anger, jealousy, curiosity and joy. It points out how parents can dispel undesirable traits and cultivate those with positive value. Any mother is most welcome to attend these film mornings, and it is hoped that there will be time for informal discussion of some of the points made in the film.

Prom Weekend Is Planned At Abbot

This coming week-end at Abbot Academy will be given over to the Senior Promenade. Young men from neighboring and distant schools and colleges will be guests of the Senior and Senior-Mid Classes.

The Senior Prom begins Friday evening and ends Sunday with many events scheduled. On Friday evening there will be informal dancing. Saturday noon there will be a picnic lunch followed by sports and movies. The formal dinner and dance will take place Saturday evening. On Sunday there will be a breakfast for the girls and their guests followed by an 11 o'clock Chapel Service. The Rev. Frederick Hill of Christ Church, Andover, will conduct the Service.

Saturday afternoon a group from the Junior Class will attend a tea dance and supper party at
